THE FIRST OF ITS KIND

WHO WE ARE:

- The first 7's rugby development program in Canada, with the main hub in South Africa. The focus is on providing a first of its kind opportunity for young aspiring rugby players to venture into the world of 7's rugby.
- We aim to create more skillful and versatile young rugby players.
- We provide high school rugby players with the opportunity to join a team, starting at the age of 14 level all the way to under 19.
- After high school, each player will have the opportunity to join their respective senior sides, to continue their playing career as a 7's rugby player, and possibly being chosen for the academy and going on tours.
